To wrap up another great year of Music! Get ready for Music Mania on **June 15<sup>th</sup> at 7:00 pm!** This concert will feature all grades K-4 music classes, as well as the Grade 5/6 Band and the Grade 7/8 Band. The students have been working really hard over the past year and this is going to be a great concert. All students are expected

to attend this end of year concert as they all practice and perform together in class and if members are missing the performance is not as it should be. Families are welcome to attend!

**A BBQ supper will take place before the concert at 6:00. Order forms will be sent home**

June is a very busy month here at school! There are many different events planned. Teachers will send home notes as to what your child may need to bring. Please ensure you check the calendar and your child's agenda for all that's happening this month!

**SUNBURN CLASSIC  
JUNE 3RD!**

**Band-a-Rama**

**June 6th**

**LAST DAY OF SCHOOL  
JUNE 29TH!!**

# FROM THE OFFICE

A beautiful DAY  
BEGINS WITH A  
BEAUTIFUL mindset

-JOHN GEIGER

Benito School has been a wonderful place to educate youth, learn, and develop professionally - so good that I have remained in this educational community for 27 years! I began my career in September of 1994 teaching Kindergarten. I continued teaching in the Early Years classroom until September 2018 when I began the position of Principal/Resource Teacher. I am very fortunate to have had the opportunity to work with colleagues, families and children in this role. It provided me with tremendous new learning, challenges and excitement. Benito School is a second home to me with a second family, and I am disheartened to no longer be a full-time staff member. However, I am excited to work with colleagues in other schools, supporting children, families and educators from a therapeutic role.

I would like to extend an enormous thank-you to past and present students, families, and staff members for your support and collaborative efforts throughout the several years of educational experiences. Together we have persevered through many challenges, developed new skills in academics, athletics, music, and social emotional wellness, and become more resilient. I am proud of our progress and will always treasure my years as a classroom teacher, resource teacher, and administrator in Benito School.

Although I am leaving my role as the Principal/Resource Teacher in Benito School, I am not going far! I am excited to become an addition to the Swan Valley School Division Student Services team, in the role of a School Counsellor. I am pleased to remain residing in the community of Benito and plan to visit the school regularly.

I hope to see you around town or in the valley. I am only an email away if you wish to connect! I wish all of you health, happiness, and educational growth!

Yours truly,

Jocelyn Bender

# Understanding Behavior

**Using Brain Science and Compassion to Understand  
and Solve Children's Behavioral Challenges**

**Presenter: Kerrilynn Behrman, SVSD Counsellor**

Wednesday, June 8, 2022, 7:00 - 8:30 pm @ Benito School

To understand your child's behavior, is to first understand the brain and central nervous system. Too often we believe that all children's behavior is intentional without understanding what is under the behavior.

This workshop will help you:

- Understand the brain and it's impact on behavior
- Connect early childhood events to current behaviors
- Tools to help build your child's response to stress and manage big emotions.

Open to families of Benito School and  
Benito Child Care Centre.
