I LOVE TO READ MONTH

Character Trait

Each Month we will be highlighting a character trait. Students that show the specific trait will be highlighted in assemblies and the newsletter. Up to 10 students can win a bag tag. February's Trait was **Kindness**. Students who showed kindness were Elizabeth Desjarlais, Lincoln Atkinson, Treden Long, Chevy Bell, Logan Marquart, Jayla Larocque-Jentzsch, and Lacy Woytkiw.

March's Character Trait is **Empathy**. "I will watch and listen to really understand others"

MUSIC NOTES

Wow! February was a whirlwind and now, welcome to March everyone!

The remainder of the year is always a busy time with band trips. In March we are attending the **Parkland Norman Honour Band** which takes place in Dauphin from March 3 - 5. We have ten students attending and they are going to take part in a wonderful musical experience where they get to work with nationally recognized conductors and with guest clinicians. For those interested, the concert takes place at 1:00pm at the Dauphin Regional Comprehensive Secondary School on March 5.

As well, there will be two trips in May. For the first trip we will be participating in the **Moose Jaw Band and Choral Festival** on May 15 - 17. This will be for **ALL** Grades 5-8 band students. Each band will have two performances during the trip. While May 15th is a day with no classes, we will still need to meet and depart on this day in order to arrive on time for our festival performance. Our second trip will take place in **Saskatoon** on May 26 – 28. This trip will be for the strings students that have been attending classes as extra-curricular learning. We have an opportunity to perform for and collaborate with other strings students in that area.

Please keep watch for more information in both the form of trip information packages and within the newsletter. While we are fundraising to lower the cost for every student, please expect that there will be some expenses involved with these trips. We thank you for your support with the number of fundraisers that we have been running.

Have a great Month!

SPRIT WEEK

Spring Break

March is Perfect Attendance Month

Daily school attendance is important for all students. Students who attend school regularly are more engaged in learning, have a greater sense of belonging to the community and are more likely to obtain a high school diploma. Did you know that even missing school 2 days a month a student misses the equivalent of one month of school a year?
