Heyes Student pick-up on bus cancellation days

When the weather dictates that school buses don't run, pick-ups at the end of the day can cause some congestion and add danger to a relatively simple procedure. For that reason, we would like end of day pick-ups to occur on the west side of the school. THIS IS ONLY FOR DAYS THAT BUSES DON'T RUN. Typically, traffic in the bus loop is prohibited. Bus cancellation days will be an exception. The bus loop can be entered at the south end of the school where it extends from 1st Street South. Traffic will flow clockwise around the school, allowing for students to be picked up safely on the west side. Thank you for helping to keep our students safe.

Looking to clean out your kids unused broken toys??

Good news! You can donate them to Heyes school for some grade 3 upcoming art projects. We are looking for the following items:

- toy cars with missing wheels
- doll pieces
- miss matched buttons

Thank you to Kal-Tire for the recent donation of skating helmets and cages. They will help everyone have a safe and enjoyable time skating!

Thank you to SVRSS high school for providing salads made with freshly grown lettuce!

Grade 3E is studying the Metis culture in Social Studies. Mrs. Virginia Church brought a group of volunteers from the Elbert Chartrand Friendship Center to teach the class about Bannock and to help them make their own fried Bannock. Thanks to these volunteers for a wonderful learning experience

Please feel free to wear something or share about your culture on our next CULTURE DAY

The Polar Bear Club are students and teachers that want to go outside for recess during indoor recess time. Anyone can be apart of The Polar Bear Club, however the student **MUST** be very well dressed. Kids will need to be **completely** covered in good winter clothes.
