## Principal's message

I hope everyone had a good combination of rest and fun this summer. We will surely have some nice weather this fall and we plan to enjoy every minute of it!

We are now a K - 5 School which is a slightly different configuration for us. It will be an adjustment for Gr. 5 students to be the "old folks". I'm sure they will adjust quickly.

I would like to wish all students and staff a wonderful year at school.

**Agendas** - Please check your child's agenda daily for messages and assignments.

**STUDENTS MUST HAVE THEM EACH DAY!** Notes for the teacher should be written in the area assigned each day and be sure your child knows they have a note/message for their teacher.

The costs for the school agendas were taken care of by Heyes School. Some fundraising money was used towards them!

## Healthy Living

### Snacks & Lunches -

Each day before the morning recess at 10:45 am, students have snack time. Please send a small healthy, nutritional snack such as: fruits, vegetables, cheese, crackers, yogurt, etc. A nutritional breakfast and lunch is what the students need to have the energy to function properly at school.

**NO POP ZONE!** Our school will continue to promote Healthy Living. We discourage parents from sending POP to school with students. Students are encouraged to bring water, fruit juices, or other healthy choices.

**Heyes School Milk Program will start back in October!!**

### Medication in School

No medication will be allowed in the school, nor handled by staff unless parents have proper forms that are completed and a plan that is in place! Tylenol is available at the office if your child becomes ill although cannot be administered until a parent or guardian has been contacted.

## **ALLERGY ALERT HEYES SCHOOL!**

Due to food allergies, our school is currently dairy, fish, and shellfish aware.

Please pack these items in your child's lunch with caution.

## **Nohkom's Walk (formerly called Grandmother's Walk)**

**September 21st @ 11:10am**

What is the Grandmother's Walk?

This walk is about you, the student, and the journey you take as a student. We want you to know, **YOU ARE NOT ALONE**, we can walk this journey together. As we begin the new school year, September coincides with the beginning of a new season. Traditional teachings tell us we must prepare for the journey ahead. As your support group, we will make every effort to do whatever it takes to help you get past any obstacles that prevents you from achieving success while at school.

This walk is called the Grandmother's Walk because it was the grandmother's responsibility during traditional times to make sure everyone was looked after...no one was ever left behind to fend for themselves. Anyone, young or old, male or female, can participate in the walk. Today we walk with you to show you our support.

Have an awesome year!
