

Welcome to Heyes School!

Heyes school is an elementary school in Swan River, MB. We house Grades 3,4, and 5. This is a new configuration beginning in the fall of 2024. Students are being introduced to many new people and new experiences.

Our staff works hard to facilitate the very best school experiences possible for every student. We love to see them grow skills, knowledge, and talents as they become readers, writers, mathematicians, artists and athletes.

As students mature, we also see them gain an understanding of themselves and how they interact with the people and the world around them. We endeavor to send them off to middle years armed with all of the tools they need as they continue in education and in life.

I wish all students and families the very best this school year.

Marc Kujanpaa

Heyes School Principal
