Sports Update

WOW! It is hard to believe that we are under four weeks away from Christmas Break!!

The volleyball season has come to the end. The boys' and girls' teams played great in the final SVSD event of the year. Although, they did not have top place finishes, there were playing their best volleyball of the season. They worked very hard all season to have substantial progress throughout the season. Thanks for all the hard work all athletes put into the season. Good job on a great season Mustangs!

Basketball season is just around the corner and our Mustangs will be starting practices soon. There will be 2 preseason basketball practices in December. These dates are December 16th & 18th, 2024. In the New Year, the boys will have practices on Mondays and Wednesdays and the girls Tuesdays and Thursdays. Both will be from 4:00-5:30 pm.

The colder weather has finally set in. Just a reminder for parents to please make sure

your child has proper clothing that would be suitable for the current weather conditions. We want students be able to enjoy some outdoor time during the recesses throughout the day.

We are proud of our students and the effort they put into the athletic program and overall activities here at the school.

If you have any questions about this program, please feel free to contact Mr. Woitowicz at Minitonas School.

All students will be going skating in the new year. Please try to find your child(ren) skates and a

helmet if they don't have any.
