1. Check our school home page www.svsd.ca/schools/minimid.
2. Click on the [Parent Interview Booking](#) (which is on the bottom of the Popular Links on the first page of our website, bottom right corner) and follow the prompts.
3. All parents may click "[Lost password](#)" or "[New](#)" to begin the registration process. However, if you have any problems, don't hesitate to call Mrs. Woodley (204-734-5222) for assistance. This year it is **important to enter your telephone number** (the number you will be available at for your conference) as part of your registration into the program. "The Grade 6/7 students partnered with the Grade 1s to help them write Valentine's Day poems and do some crafts. The older students guided the younger ones through the creative process, offering suggestions. To add to the fun, Mrs. Bartel joined the Grade 1s to bake cupcakes, filling the air with the delicious smell of freshly baked treats. Once the cupcakes were ready, the students were given a variety of colorful icing, sprinkles, and other decorations to make their creations. It was a great afternoon!" - Mrs. Osatchuk

Sports Update

Term 2 is quickly coming to an end, but there is still plenty of physical activities happening here at Minitonas School

The basketball season has come to end with the SVSD Invitational Tournament on February 22nd. The girls lost in the final game against ESRSS. They finished the day with 2 wins and 2 losses. This young group has lots to look forward to next season. There were two boys' teams in the tournament. The B-side team went 1-1-1 in the round robin but fell short in the playoff rounds. They missed the championship game by a couple baskets. The A-side team faced tough competition from, The Pas, Camperville, Dauphin and the "Juggernaut" ESRSS. They battled hard throughout the day, competing to the best of their abilities and never gave up on the court. Their team is also young and are looking forward to next season. We are proud of our basketball players for their hard work and dedication this season.

Our school skating program has wrapped up for the season. All students worked hard to increase their skating abilities. Many of them enjoyed the program. Great job to all students. Minitonas School would like say THANK YOU to all parents who came to tie skates on those days; it was greatly appreciated.

We have one more downhill skiing date on March 3rd. This date was rescheduled from our February 11th cancellation. Please ensure your child comes dressed in layers for the day. They will also need a lunch or money to purchase lunch from the concession.

The weather seems to be shaping up for outdoor activities and we have cross country skiing on the agenda. Please ensure your child comes prepared to be outside for physical education class this month.

On March 28th, 2025, the grade 4-8 students will have an opportunity to partake in an Outdoor Education activity. That activity is ice fishing up at Wellman Lake. It was a huge hit last year and students wanted to go again this year. An information letter and permission form will be sent out later this month.

The badminton season will be starting later this month. Students in grade 6-8 are encouraged to come out and give it a try. There will be an informational letter sent home, with all interested students, of the practice dates and times in the second week of March.

If you have any questions about this program, please feel free to contact Mr. Woitowicz at Minitonas School.
