## INTERNATIONAL DAY OF PINK will be celebrated April 13th.

We encourage as many students as can, to wear a pink t-shirt that day. Bullying is a major problem in our schools, workplaces, homes, and over the Internet. Each year, on Pink T-Shirt Day,

We encourage all of you to wear something pink to symbolize that we as a society will not tolerate bullying anywhere. Take the message and remember it all year long.

## Welcome to Ms. Fauna Church!

Ms Church will be joining our staff on April 25th to complete the school year in Kindergarten. We look forward to getting to know her.

Mrs. Wendy Betcher will be filling in after the break until April 21st.

## Next Hot Lunch Pancakes & Sausage April 21st

More details to follow  
after the break

# Sports Update

## Girls Basketball

March has gone by so quickly, including two basketball tournaments hosted by ESRSS! Despite having many cancelled practices due to weather, the girls basketball team showed dedication and perseverance throughout the season. They put their best efforts into each game, whether it was practice or a tournament.

Everyone showed improvement in their skills and demonstrated how well they work as a team and as friends. Thank you to Tanner for being our extra teammate whenever we needed you! I am so grateful to have coached this group for basketball as well as volleyball, and I am in awe of their progress in ability and their commitment to the sport. Their efforts have not gone unnoticed, and I am so proud of each and every one of them! ~ Ms. Ludwig

## Boys Basketball

The boys had a great basketball season, even with the many barriers they had faced. The boys won all four of their games during the two tournaments we had this season. They played extremely well as a team, showed great sportsmanship and had a lot of fun. I am proud of the boys and look forward to seeing some next year and seeing some tryout for the JV team next year. – Coach W

### *Beautiful Day at Thunderhill*

March 3rd and 15th were both wonderful days for the students from Grades 3 through 8 to travel by school bus to Thunderhill to spend the day learning or improving their ski skills. This trip was part of the students' physical education program.
