

Grade 12 Essential Mathematics

Course Outline

Instructor: Mr. Jim Turner
Classroom: Friendship Centre
Contact Information: Email: jturner@svsd.ca

Description:

Welcome to Essentials in Math. This course is intended for students whose post-secondary planning does not include a focus on mathematics and science related fields.

Students are expected to work both individually and in small groups on mathematical concepts and skills encountered in everyday life in a technological society.

Course Breakdown:

The units that we will be studying are:

1. Statistics
2. Precision Measurement
3. Home Finance
4. Vehicle Finance
5. Probability
6. Geometry
7. Trigonometry
8. Career Life Project – will be done through the term

Behavioral Expectations:

Assignments:

Assignments are given out as a unit package. The test is usually given out with the unit. All lessons are online. Tests are to be done at the end of the unit. All tests are done in an open book format.

Mark Distribution:

Tests = 100%

Unit marks are based totally on test results
