### SVRSS Exam Guidelines

- Examinations will begin at 9:00 am for morning exams and 1:00 pm for afternoon exams.
- No books, tech devices, hats or jackets will be allowed to your seat. Coat racks will be available at the back of the room for those who need it. You will be required to leave everything there if you don't put it in your locker.
- Know where your exam is going to be...some people may be writing in a smaller room, please double check with your teacher as they place you on this list with the resource teachers.
- Talking with your table partners is not permitted during exams, even once you are done writing your exam.
- Minimum writing time is one hour. All students must stay in the room for the full hour, do not ask to be excused. Morning students will be able to stay and continue until 12:00 pm and 3:35 in the afternoon.
- Cheating has consequences and will result in a zero for the exam.
- An exam missed due to illness must have medical verification.
- If an exam is missed due to an emergency, parents must contact the office and admin to get rescheduled.
- No attendance is taken for the week of exam. There will be paper attendance taken at the beginning of each exam. Any students missing will be called to verify where they are.
- When you are done your exam, you can go to Rm 100 or 119 for quiet studying and schoolwork, or you can arrange to be picked up/walk home.
- If you stay at school, you are expected to study-there is no loitering or game playing in the study rooms.
- Before walking into exams you will gather in the hallways, the lead teacher will explain the exam set up and you will be able to go in once the doors are open.
- Make sure that you have the required materials for your exam
- Find the correct exam.
- Only students that are requested by teachers for RTI during the exam week will be coming into classrooms.
