I LOVE TO READ MONTH @ ÉSRSS

Dear Families,

We are so excited to tell you about all of the amazing things we have planned for the 2023 I LOVE TO READ month!

We are sending home a calendar of reading challenges for each day of February. As your child completes a challenge at home and gets the date initialled by yourself or another adult, they will receive a ballot. Each classroom has a reading themed prize to be won in a draw on February 28. The more challenges a child completes, the more chances they have to win! Additionally, each Friday in February we will be celebrating with a special in class literacy inspired activity. Please have your child check their calendar to see if they need to bring something for the last Friday activity. Thank you very much for your continued support!
