Re: Outdoor Education Grade 8 Field Trip

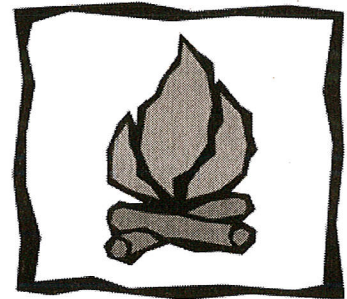

Dear Parents / Guardians,

ESRSS is planning an outdoor education trip for students in Grade 8 on Friday, February 24th. The goal of this trip is to help make your child's exposure to the outdoor environment a positive and rewarding experience.

This outdoor education trip will be for students who are caught up with their work, have demonstrated good citizenship in our school as well as the ability to be respectful and trustworthy while on the trip.

Activities and adventures are still being finalized for the trip. Some of the activities may include snowshoeing, ice fishing, orienteering, winter survival techniques, and games.

There will be a \$20 fee to each student that attends the outdoor education trip. ESRSS will be using School Cash Online as a payment method for this trip. Please check out our website, <https://www.svsd.ca/esrss/ci/p/3933> where instructions and information for online payment is located. Student expenses will be used to offset costs associated with meals, transportation, camp programs etc.

Please sign and return the bottom attachment showing your child's intent for the trip by Monday Feb 13th 2023. Consent and medical forms will be sent home with children that commit to the Feb 24th trip.

Yours in Education,

ESRSS Grade 8 Teachers

(Please check one of the options)

My child, _____, _____ intends to attend the trip in February.

_____ does not intend to attend the camping trip in February
