

Smaller Class Sizes Reporting Template

Notes:

Average Class Size: For each grade level, include both regular and blended classes in calculating the average class size. Blended classes should be calculated in the average for their lowest grade. For example, for Grade 1, if you have 1 regular class and 1 blended class (mix of Grade 1 and Grade 2 students), include both as Grade 1 classes while calculating the average. Do not include the Grade 2 students in that blended class again while calculating the average class size for Grade 2 (no double counting).

Swan Valley School Division	Average Class Size									Remarks on how larger classes are supported (average class size above 20 for K-3 and 25 for grades 4-8)
School	Kindergarten	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8	
BENITO SCHOOL	20			15		17		18		
BOWSMAN SCHOOL	18	15		20		21	24		13	
ECOLE SWAN RIVER SOUTH SCHOOL	24			22			22	22	25	An additional 0.5 FTE (K/1/2 = 19 & 3/4/5/ = 18) was added to support K to 5 literacy.
HEYES SCHOOL				23	24	19				School has a Resource Teacher to support grade 3 Literacy (0.15 FTE)
MINITONAS SCHOOL	16	19		18	16	20		22		
TAYLOR SCHOOL	24	21	21							School has a Resource Teacher (0.125 per grade 1 & 2) assigned to Literacy Support (1 = 20, 2 = 20)
Divisional average	20.4	18.33333333	21	19.6	20	19.25	23	20.66666667	19
