Hello Everyone,

In December, grade 6-8 students at ESRSS will have the opportunity to travel to the **Swan River Curling Club** where students will be introduced to the fundamentals of curling in a fun and engaging environment.

As part of this experience, students will participate in instructional sessions led by experienced curlers at the **Swan River Curling Club**. They will learn the basic techniques, rules, and strategies of curling, followed by an opportunity to put their skills to the test in a friendly bonspiel (a curling tournament). This is a **free experience** as part of your child's physical education.

#### Event Details:

 **Location:** Swan River Curling Club

 **Dates:** See below schedule

 **Time:** See below schedule

 **What to Bring:** Warm athletic clothing/jackets, clean indoor running shoes, gloves, a water bottle, any emergency medication (Epipen, inhaler).

While helmets are not mandatory, there is an inherent risk to slips associated with on-ice curling and the choice to wear CSA approved headgear is at the discretion of parents.

Curling is a fantastic sport that promotes teamwork, strategy, and physical activity. This opportunity allows students to develop new skills while experiencing an important part of Canadian sports culture.

#### Permission and Transportation:

Students will be transported to and from the curling club via school bus. Please complete and return the attached **permission form AND assumption of risk form by November 26th** to ensure your child can participate.

We encourage all students to take part in this exciting learning experience! If you have any questions or concerns, feel free to contact Mr. Eisler (grade 6, 7A, 6-8FI students) or Mr. Behrmann (grade 7B,C/8A,B,C students) at 204-734-4518.

Thank you for your support in providing our students with enriching physical education opportunities.
