Dear SVRSS Families,

Welcome everyone to this school year. It is mid-October, and we are in full swing with coursework, athletic programs, field trips, extracurricular activities, upcoming report cards and so much more happening. Below is some detailed information we would like to share.

Parking and Traffic

Thank you for your support in dropping off and picking up students at the north end of the building. Continue to pull through on the north end as it allows for a good flow of traffic and does not hold up our buses. Traffic around the school is prohibited during the school day.

Early Intervention Letters and Report Cards

Next week we will be emailing home **Early Intervention Letters** for any students that need additional support to meet their learning goals. Please ensure that your email is accurate and updated with our office by returning the updated student registration form that was sent home in September.

Report Cards will be emailed home on November 18th. To access your child's report card, you will need to know their MET # to use as a password in the report document. A student MET # is a 9-digit student specific ID number that belongs to a student while they are in public education within Manitoba. MET #s can be accessed by parents through the following means.

1. **REPORT CARDS...**MET #s are located on all report cards. Please look at previous years report cards to locate your child's MET #
2. **PARENT PORTAL...**For those that are signed up for the Parent Portal the student MET # is viewable within your browser. Do Not use the app rather sign in using Google, Chrome, Edge or Foxfire.

3. **CALL the SVRSS**If the options above do not work, please call 734-4511 for assistance.

Alternative forms of student progress reporting are available for those without internet/email access. Students with Specific Learning Plans will have their report cards sent home with them. Please, feel free to reach out to the SVRSS with any questions or concerns at 734-4511.

Parent Teacher Interviews

Parent Teacher interviews are scheduled for Thursday November 20th from 5:00-8:30 and Friday November 21st from 12:00-1:30. The parent portal link to register for teacher interviews will open on November 4th and can be found on the SVRSS website. All interviews are IN PERSON.

Fees

School fees are to be paid at the main office. Please make cheques payable to **SVRSS**.
