Professional Growth Model

Educational Assistant Professional Standards Rubrics

Employee Name: _____

School: _____

Date Completed: _____

Evaluator: _____

*At 6 months, Educational Assistants that have cleared the probationary period will complete the **Educational Assistant Professional Standards Rubrics.***

Critical thinking is thinking that assesses itself. Each step in the process of thinking critically is tied to a reflective step of self-assessment. The professional standards self-assessment inventory is intended to promote an inward look at you as a professional.

Professional Standards Self-Assessment Inventory
A. Supporting the Management and Organization of the Classroom

The Educational Assistant:	4. Highly Effective	3. Effective	2. Progressing	1. Improvement Necessary
Task Organization ***may not apply to all roles***	Organizes and coordinates daily work activities to complete specific tasks.	When prompted organizes and coordinates daily work activities to complete specific tasks.	Sometimes needs reminder to organize and coordinate daily work activities to complete specific tasks.	Does not organize and coordinate daily work activities to complete specific tasks.
Respect and Safe Atmosphere	Shows great sensitivity and respect for family and community culture, values, and beliefs. Models an atmosphere of safety and respect.	Communicates respectfully with parents and is sensitive to different families' culture and values. Reinforces an atmosphere of safety and respect.	Tries to be sensitive to the culture and beliefs of students' families but sometimes shows lack of sensitivity. Sometimes does not reinforce an atmosphere of safety and respect.	Is often insensitive to the culture and beliefs of students' families. Often fails to reinforce an atmosphere of safety and respect.
Student Organization	Models and assists students with gathering and organizing information and materials, meeting deadlines and assignment requirements, reviewing materials, and preparing for tests, as assigned.	When necessary, assists students with gathering and organizing information and materials, meeting deadlines and assignment requirements, reviewing materials, and preparing for tests, as assigned.	Sometimes does not assist students with gathering and organizing information and materials, meeting deadlines and assignment requirements, reviewing materials, and preparing for tests, as assigned.	Often fails to assist students with gathering and organizing information and materials, meeting deadlines and assignment requirements, reviewing materials, and preparing for tests, as assigned.
Student Transitions	Models and supports students to prepare for and successfully complete transitions through the school day.	When reminded supports students to prepare for and successfully complete transitions through the school day.	Sometimes does not support students to prepare for and successfully complete transitions through the school day.	Often fails to support students to prepare for and successfully complete transitions through the school day.
Teacher Supports	Assists in collecting, collating, and organizing materials, creating displays, and undertaking other supportive activities.	When prompted assists in collecting, collating, and organizing materials, creating displays, and undertaking other supportive activities.	Sometimes does not assist in collecting, collating, and organizing materials, creating displays, and undertaking other supportive activities.	Often fails to assist in collecting, collating, and organizing materials, creating displays, and undertaking other supportive activities.

The Educational Assistant:	4. Highly Effective	3. Effective	2. Progressing	1. Improvement Necessary
Reinforcement and Skill Development	Reinforces specific techniques, strategies, and language in alignment with teacher instruction. Utilizes the "I do, we do, you do" strategy.	When prompted reinforces specific techniques, strategies, and language in alignment with teacher instruction. When prompted will utilize the "I do, we do, you do" strategy.	Sometimes does not reinforce specific techniques, strategies, and language in alignment with teacher instruction.	Often fails to reinforce specific techniques, strategies, and language in alignment with teacher instruction.
Engagement	Intuitively assists in keeping students engaged in the range of activities that take place in the learning environment.	Has students actively think about, discuss, and use the ideas and skills being taught.	Attempts to get students actively involved, but some students are disengaged.	Rarely hooks student's interests or keeps them engaged.
Responsive	Intuitively responds to the needs of the students as well as the teacher and/or school team in a timely and appropriate manner.	When prompted responds to the needs of the students as well as the teacher and/or school team in a timely and appropriate manner.	Sometimes does not respond to the student, teacher and/or school team needs.	Does not respond to the student, teacher and/or school team needs.
As I look at my responses to this section, key areas for growth and development are:				

B. Supporting Supervision

The Educational Assistant:	4. Highly Effective	3. Effective	2. Progressing	1. Improvement Necessary
Expectations	Is direct, specific, and consistent in communicating and enforcing very high expectations.	Is direct, specific, and consistent in communicating expectations.	Is inconsistent in communicating expectations.	Does not communicate expectations.
Problem Situations and Behaviour Intervention	Watches for potential problem situations and works proactively. Reports, immediately, to teachers on observed student behaviour and outcomes.	Reacts promptly to problem situations and prevents escalation of conflict whenever possible. Reports to teachers on observed student behaviour and outcomes.	Is slow to react to problem situations and allows issues to escalate. Needs reminders to report to teachers on observed student behaviour and outcomes.	Does not respond to problem situations and allows issues to become out of control. Does not report student behaviours and outcomes to the teacher.
Supervision	Helps classroom teachers with the supervision of students, which involves following supervision timetables and plans based on school guidelines and procedures.	With prompts helps classroom teachers with the supervision of students, which involves following supervision timetables and plans based on school guidelines and procedures.	With prompts, is slow to help classroom teachers with the supervision of students, which involves following supervision timetables and plans based on school guidelines and procedures.	Does not help classroom teachers with the supervision of students, does not follow supervision timetables and plans based on school guidelines and procedures.

The Educational Assistant:	4. Highly Effective	3. Effective	2. Progressing	1. Improvement Necessary
Safe & Belonging	Intuitively contributes to student safety, reinforces a positive, welcoming environment, and resolves situations that may pose a risk to students or compromise their educational opportunities. Proactively identifies safety issues and takes preventative measures, by following established safety policies and procedures.	With prompts contributes to student safety, reinforces a positive, welcoming environment, and resolves situations that may pose a risk to students or compromise their educational opportunities. Reactively identifies safety issues and brings to the attention of the teacher or the principal.	With prompts and reminders sometimes contributes to student safety, reinforces a positive, welcoming environment, and resolves situations that may pose a risk to students or compromise their educational opportunities. Needs reminders to watch for safety issues and to take preventative measures, Needs to be reminded of established safety policies and procedures.	Does not contribute to student safety. Ignores safety issues and does not bring to the attention of the teacher or the principal.
Current and Up-to-Date	Takes the initiative to keep up to date with school, divisional, and provincial policies and safety requirements.	With reminders and prompting will keep up to date with school, divisional, and provincial policies and safety requirements.	Makes little effort to keep up to date with school, divisional, and provincial policies and safety requirements.	Makes no effort to keep up to date with school, divisional, and provincial policies and safety requirements.
School Management Systems	With integrity works within established school rules and bottom-lines, including classroom management structures, behavioural rules, and student expectations.	With reminders, works within established school rules and bottom-lines, including classroom management structures, behavioural rules, and student expectations.	Makes little effort to work within established school rules and bottom-lines, including classroom management structures, behavioural rules, and student expectations.	Contradicts established school rules and bottom-lines, including classroom management structures, behavioural rules, and student expectations.
As I look at my responses to this section, key areas for growth and development are:				

C. Supporting the Needs of Students

The Educational Assistant	4. Highly Effective	3. Effective	2. Progressing	1. Improvement Necessary
Following of SSPs	Has a very good understanding of the goals and needs of the student(s) they work with. Authentically follows the student specific plan and implements the strategies and programming outlined in the SSP/Daily Plan.	Has a good understanding of the goals and needs of the student(s) they support. Rigidly follows the student specific plan and implements the strategies and programming outlined in the SSP/Daily Plan.	Does not have a thorough understanding of the goals and needs of the student(s) they work with. Needs reminders and monitoring to follow the student specific plan and implement the strategies and programming outlined in the SSP/Daily Plan.	Does not have a thorough understanding of the goals and needs of the student(s) they work with. Does not follow the Daily Plan or align programming with the student specific plan.
Differentiated Instruction & Student Interest	Artfully incorporates student interests and strengths into their programming.	Needs reminders to incorporate student interests and strengths into their programming.	Does not incorporate student interests and strengths into their programming.	Is unaware of student interests and strengths.
Adaptability	Able to adapt to changing conditions quickly.	Able to adapt to changing conditions after instruction.	Requires detailed explanation of changes.	Unable to adapt to changing conditions quickly

The Educational Assistant	4. Highly Effective	3. Effective	2. Progressing	1. Improvement Necessary
Fostering Independence	Fosters independence through modelling, mentoring and reinforcing strategies to help students develop independence.	When reminded works to build independence through modelling, mentoring and reinforcing strategies to help students develop independence.	Sometimes works to build independence through modelling, mentoring and reinforcing strategies to help students develop independence. Often models too much.	Does not foster independence; provides too much support and completes the task for the child.
Confidence Building and Teaching Self-Advocacy	Innately applies strategies to build student self-confidence and promote student independence.	With a conscious effort applies strategies to build student self-confidence and promote student independence.	When reminded by a supervisor applies strategies to build student self-confidence and promote student independence.	Sometimes does not apply strategies to build student self-confidence and promote student independence.
Parent Communication & Responsiveness ***may not apply to all roles****	Successfully and positively communicates back and forth with parents in daily communication book. Comments are relevant and goal specific. Immediately and successfully brings parent concerns to the classroom teacher and/or Resource Teacher so that they can be dealt with immediately.	With reminders positively communicates back and forth with parents in daily communication book. Comments are polite but not always relevant and/or goal specific. When prompted will bring parent concerns to the classroom teacher and/or Resource Teacher so that they can be dealt with immediately.	Does not consistently communicate back and forth with parents in daily communication book. Comments have little relevance to goals and progress. Inconsistently brings parent concerns to the classroom teacher and/or Resource Teacher so that they can be dealt with immediately.	Rarely communicates back and forth with parents in communication book. Does not bring parent concerns to the classroom teacher and/or Resource Teacher so that they can be dealt with.
