

SNOW REMOVAL TENDER FORM & SPECIFICATIONS

Sealed tenders will be received by the Swan Valley School Division for snow removal at various schools. The duration of the contract will be approximately November 1 to March 31 or dependent on snowfall. The tender will be for three years (2026-2028), subject to satisfactory workmanship, performance, and service. The contractor is to bid an hourly rate for snow removal. All sales or other taxes in force should be included at the time of submitting the quote. A list of equipment and attachments that will be used for snow removal must be provided.

Snow removal is to occur prior to school opening or after school closes. **Absolutely no snow removal during a school day, unless approved and/or requested by the school principal or Maintenance Supervisor.**

It is mandatory that all contractors and individuals working for the Swan Valley School Division carry WCB coverage and provide proof of good standing annually.

The contractor shall make good on any damage to property (school division and non-school division) as a result of performance and execution of work.

The contractor shall be responsible for placing insurance on their own property and/or property for which they are responsible and shall waive any rights of recovery against the Swan Valley School Division including their employees or servants, for loss or damage to such property including loss of use thereof.

The School Division reserves the right to:

- 1) reject any or all tenders
- 2) accept the tender it deems to be in the best interest of the Division
- 3) award single, multiple or any combination of locations
- 4) not necessarily accept the lowest or any tender
