THE PURPOSE OF THE VTRA IS.....

All threat making behavior(s) will be reported to the principal who will activate the protocol for the initial response. Once the investigation team has been activated, interviews may be held with student(s), the threat maker, parents and staff to determine the risk and develop an appropriate response to the incident. Investigations can involve student services, RCMP and other community agencies; furthermore it can involve locker or personal property searches. Intervention plans will be developed and shared with appropriate people as required. Threatening behavior can result in disciplinary actions.
