

# SWAN VALLEY REGIONAL SECONDARY SCHOOL

## Our Motto

Make a difference today for tomorrow.

## Our Vision

Our vision is to see **all students as successful learners** achieving their full potential in life.

## Our Mission (Learning, Livelihood, Life)

**Our Mission is to achieve excellence in learning for all.**

**Learning** how to **learn** and realizing that learning is a life long pursuit.

**Learning** how to make a **livelihood** to become self-reliant and productive citizens.

**Learning** how to live a **life** of fulfilment as caring and responsible members of a global society.

## Our Purpose

As a community school we are a centre for learning, providing educational opportunity for senior years high school students and the community in general.

We pursue the fulfilment of our purpose in an atmosphere of cooperation among students, staff, parents, business, industry, government, arts community and other educational institutions.

## Our Logo

Our logo is a flaming torch formed from the stylized acronym of our school name.

As light from the flaming torch, learning illuminates the journey of life.

Throughout the journey we nurture the flame and pass it on with pride to illuminate the future generations.
