What should I do if my child is sick?

- If your child has one symptom from Column 1 or two symptoms from Column 2, you should immediately get tested for Covid-19.

If a student displays one symptom from Column 1 or two symptoms from Column 2 during the school day, the school will immediately contact parent/guardian to pick up their child.

Column 1

Do you have one of the following symptoms?

- ❖ Fever (greater than 38 °C), feverish or chills
- ❖ Cough or increased amount of coughing
- ❖ Shortness of breath/difficulty breathing
- ❖ Loss of taste or smell
- ❖ Sore throat/hoarse voice
- ❖ Vomiting or diarrhea for more than 24 hours

Column 2

Do you have two or more of the following symptoms?

- ❖ Runny nose
- ❖ Fatigue
- ❖ Unusual Headache
- ❖ Sore muscles not related to over exertion or exercise
- ❖ Skin rash of unknown cause
- ❖ Nausea or loss of appetite

When can a sick child return to school?

Has your child been tested for Covid-19?

- ❖ **Yes (Negative Test Results)** – Your child can return to the school after 24 hours of being symptom free.
- ❖ **Yes (Positive Test Results)** – Public Health will provide guidance of what is required before your child can return to school.
- ❖ **No** –Your child must self-isolate for 10 days and have no symptoms, before they can return to school.
