## **PRINCIPAL'S MESSAGE**

I would like to thank all students, parents, guardians and staff for all their efforts and adaptations, this past school year. You have been flexible, cooperative and responsive with all of the numerous rules, regulations and guidelines that have been implemented through COVID. I know that it has been very trying for many people and you have adapted with acceptance and understanding through each and every change that was made.

I want to wish everyone a fantastic summer! I hope that everyone is able to take a break and enjoy some of the many outdoor opportunities our Valley has to offer!

Mrs. Shevernoha
