SCHOOL PICTURES

On Wednesday, **September 24th**, Lifetouch, will be here to take our school photos. Please be sure that your child comes to school dressed for pictures at 9:00 a.m. Reminder: If you send a brush or comb along with your child, please emphasize the importance of NOT lending them to anyone else.

On that note, please remember that now that we are back at school and your child is in contact with many other students, please check your child's head weekly for head lice.

REGISTRATION FORMS

All students will have a registration and permission form package. Please make any changes to phone numbers or address if needed. Please make sure you have completed all the forms fully. **It is extremely important that all student have a primary and emergency contact with working phones. Should your phone information change, please update the school as soon as possible.**

EMAIL ADDRESS

This year our correspondence with parents/guardians will be primarily delivered via email. Please make sure if you have a valid email address listed on the registration form.

STUDENT ACCIDENT INSURANCE

The Swan Valley School Division has supplied us with forms for student accident insurance, again this year. The insurance is voluntary.

If you are interested, send the completed form and cheque directly to the company or you can apply online via our school division website.

REMIND APP

The Remind App is a great form of communication between the school and our parents/guardians. The office and a few of our classrooms have joined. Please see the attachments to join.
